To 2005 Extravaganza Exhibitors,

I want to “Thank You” for participating in our 2005 Arts, Crafts, Food and Entertainment Extravaganza”. As you know, it was my first year of putting it on.

During the event, I went around and spoke to every exhibitor and had every one fill out a comment card. In reviewing them several times, the Johnson County Agricultural Association has made some changes to our fundraiser this year. Here are some of the changes:

- *Date—Sept. 9 & 10 (There is NO Home Game)
- *Admission—There will be “NO” admission charge
- *Advertising—There will be “Extensive” advertising this year
- *Entertainment—We will be having more entertainment and larger groups of entertainers
- *Give-Away—We are working on having some kind of give-away but it has not been confirmed at this point

Here is some additional information:

- *If you would like your same space, please write this on your application form.
- *According to Iowa Code (423.33), exhibitors are not required to show sales tax information to us.
- *If you can only participate for one day, we will again be taking reservations for one day exhibits. The fee is \$50/per booth.

Once again, “Thank You” for participating in 2005 and we hope to see you in 2006.

Sincerely,

Kim Greiner-Gonzalez
Business Manager
